

GRACE LUTHERAN CHURCH THE WELCOME PLACE

Volume XXIII Issue 3

March 2010

From Pastor Ryan

We are now in the heart of Lent. I hope that this season has been one of reflection, with an eye toward repentance. Each week we confess our sin, but during Lent we are especially aware of how we miss the mark. Not so we feel bad or inadequate, but so we are all the more prepared to hear the hopeful message of Easter.

But Easter isn't here yet.

So in the meantime, I pray that this season of Lent is full of opportunities to reflect on your life. On the life of our community. On the life of the world. And that we may see ways of turning toward what is good.

It is with great regret that I must write this announcement. This will be the last Newsletter that I will be doing for Grace Lutheran Church. This was not an easy decision but it is one I have been considering it for some time now. I have really enjoyed working on the Newsletters for the past four years. It has been trying and fun at the same time. May God's Blessing go with you always.
